

# China Little Flower

Protecting, respecting, loving, and serving life!

## May 2009

We are delighted to share the news that we have reopened the China Little Flower home in Beijing. Since it's in a new location and has broadened scope somewhat, it also has a new name. It is now called **The Holy Family Home**. This home is a continuation of the hospice as before, but also cares for children abandoned because of premature birth or club feet. We spent many weeks cleaning and preparing the building for the babies, and on May 6 we had a Mass and Blessing for the home. On May 13<sup>th</sup> the babies moved in. We are currently caring for 14 babies, with several more due to arrive soon.

**Newsletter Changes & Support:** We are changing the format of our newsletter to a Yahoo Group. We invite you all to join us in order to continue receiving updates:

**Child News:** New this month is **En** (left), a 5 month old baby girl whose full name means "Give Thanks". She was abandoned with a severe, inoperable heart defect at the gate of a Christian church in rural China. En has a mischievous personality and lights up the room with her delightful smile.

## In Loving Memory

**Meng** died on May 15, 2009 after a long fight with a congenital liver defect. She is missed by all who loved and cared for her.
