## Thank You, Bev!

We said goodbye to a volunteer from Australia, Bev, this month. The staff of one of our baby homes threw a party to thank her for her help and service to the children of Little Flower Projects.

## Surgery News

She Die with some blocks.

Baby Long is recovering well from his lip repair surgery in Dallas, Texas, while little She Die awaits orthopedic surgery back in China.

Don't they both look cute with their toys?

Long going for a drive.

## Baker-McKenzie Visit

Little Flower Projects thanks the partners and associates of the Baker-McKenzie law firm that came to spend time with our children for two days this month, as well as their generous donation of \$10,000 that will help us continue caring for those children.

We're sure the kids say "thank you" as well!
